Position: Cloud Technical Engineer

To: - Huawei Technologies

Subject: Application for Employment

Dear Sir/madam

Estifanos Aschale is submitting this letter in response to your external job posting including with curriculum vitae.

On September 02, 2021 G.C., I received my BSc degree in software engineering from Wolkite University. Working for your prestigious organization is incredibly exciting and gives you the chance to put what you have learned in school into reality. I think my educational background will set me apart from other candidates.

The subjects and abilities I became familiar with while studying, my commitment to pursue continuing excellence, and my ability, qualification, and commitment to join an esteemed organization are just a few of the important strengths I possess for success. Additionally, I am a cooperative, vivacious, and sociable worker. Please refer to my resume for more details. You can reach me at any moment at [+251918819955] on my cell phone.

Thank you for your time and consideration. I look forward to speak with you about this employment opportunity.

Yours sincerely

Estifanos Aschale Kassa
